The major changes to this plan include:

- The upcoming change to the Kentucky Weatherization Prorgram Field Guide. The revised field guide will reference the Standard Work Specifications for Home Energy Upgrades (SWS) where applicable. All tasks performed on client homes must meet the specifications, objectives and desired outcomes outlined in the SWS where applicable.
- Verbiage beginning to lay out the coming regulations for performing final inspections and the additional monitoring metric for units that were evaluated/audited and final inspected by the same person.

AVERAGE COST PER UNIT:
Our average cost per unit is based on a projection of LIHEAP funding to be received this fall. This average could rise or fall depending the amount of allowed LIHEAP transfer dollars.
