

Want a Lower Interest Rate?

The Conventional Preferred Program is so good, you might just dance about it.

The Conventional Preferred Program is exclusively offered through Kentucky Housing Corporation (KHC) including reduced monthly mortgage insurance! So by partnering with KHC, you can offer your clients a higher LTV loan with a lower monthly payment.

But that's not all! Your clients can still use KHC's Down payment Assistance Program (DAP) and there is no minimum borrower contribution and no reserves are required.
