

Kentucky Homeless Management Information System (HMIS) Agency Research Request

1. Please frame a very specific question you would like to know using HMIS data. The request should be pertinent to your goals as an agency.

2. Please define all essential language used in this question, for example:
(For example: How does your program define a **client, successful client, acceptable time frame, program objectives, and successful destination**? If language is not defined, the Research Analyst will first use HUD's standard definition release 2010, if applicable, or will contact the person requesting for clarification.)

3. What is your deadline to receive this research?
(Must be at least 30 days from receipt of request)

4. Please describe the intended reader of this research, i.e., is this for a federal grant, private foundation, state funding, or public presentation?

5. Is this research something you will need on a yearly, quarterly, or monthly basis for your program? Yes No
If Yes, describe frequency:

6. What is the best way to send the completed information to you?
Contact information:
