RATE NOTES

MI PRODUCTS

Monthly Premium MI is a payment option which features a coverage term of one month; premiums are remitted monthly. The premium rate shown is the annualized first year and renewal premium rate. The premium to be remitted monthly is determined by multiplying the annualized premium rate by the loan amount and dividing that amount by 12.

Zero Monthly Premium MI is a payment option which features monthly premium rates with no initial premium required at closing.

Level Annual Premium MI is a payment option which features a coverage term of twelve months; premiums are remitted annually. The Level Annual option features one identical rate for both first year and renewal premiums. The 1st year premiums may be financed into the loan amount.

Financed Premium: Refer Genworth's *Guidelines for Housing Finance Agencies (5706176)* for details.

LOAN TYPE DEFINITIONS

Fixed Mortgages feature level payments for the first five years of the loan term. All acceptable plans must (1) fully amortize over a maximum of 40 years, (2) have the initial payment rate equal to or greater than the initial accrual rate, and (3) have no temporary buydowns, rate concessions or the potential for negative amortization during the first five years. Also included, 2% Graduated Payment Mortgages whose annual payment increases are limited to 2%.

LOAN TERM DEFINITIONS

30 Year: Fully amortize over a period greater than twenty-five years and no greater than forty years.

≤ 25 Year: Fully amortize over a maximum of twenty-five years.

RENEWAL PREMIUMS DEFINITIONS

For level renewals:

- The renewal premium rate is applied to the original loan balance for years 1 through 10.
- For years 11 through term, the rate is reduced to 0.20% or remains the same if the rate is less than 0.20%.
- Premium adjustments do not apply to the 11th year rate through term.

For amortized renewals:

- The renewal premium rate is applied annually to the outstanding loan balance as of the anniversary date of the loan for years 1 through term.

PREMIUM ADJUSTMENT RULES

Multiple Discounts: Multiple discounts may not be applied.
