

OVERVIEW

- Purpose** The NKY Housing Study Coalition is a voluntary group of subject matter experts formed to develop a response to the NKY Housing Study with specific private, non-profit and public sector strategies that may be useful as a menu of options throughout the region to address housing inventory and income-alignment as a key component to workforce and economic development.
- Composition** Seeking a variety of perspectives from the Northern Kentucky region representing different stakeholder groups and understanding of housing market dynamics.
- Timeline** 12-month commitment from January – December 2024
- Meetings** In person, hybrid or virtual depending on committee members’ needs. Any in-person meetings could be held at NKADD, 22 Spiral Drive, Florence.

ROLES AND RESPONSIBILITIES

- Steering Committee** The Steering Committee will meet monthly to track the progress of the group toward the deliverables due December 2024.
- Committee Chairs** Committee chairs will guide subject-matter experts on their respective committees to better understand how private, public and non-profit partners might respond to data evidence in order to meet the various housing challenges brought to light in the housing data study.
- Committees** The committees will meet monthly or more frequently as needed to develop recommendations.
- Committee Members** Will provide insights into potential next steps that might address data points and challenges elevated through the NKY Housing Data Study and in other venues.
