Please see requirements on next page

Requirements

It is important for market analysts and appraisers to comply with the Kentucky Housing Corporation (KHC) **Market Study Requirements and Appraisal Requirements**. All required KHC tables (e.g., Summary Information Table and Demand & Capture Rate Calculation Table), the HUD 92273 Rental Grid, and any other materials as specified in the **KHC [Market Study Requirements](#) and [Appraisal Requirements](#)** must be completed and submitted with each report. Market analysts and appraisers submitting a report that materially fails to comply with KHC's requirements or is unacceptable by professional standards may, at the sole discretion of KHC, be removed from the list.

Disclaimer

The information contained on this web page is for general information purposes only. The information is provided by KHC and while we endeavor to keep the information up-to-date and correct, we make no representations or warranties of any kind, with respect to the information and/or services contained on the website for any purpose. KHC's approval for this list was based on the work samples and acceptable information submitted to KHC for review which met the outlined requirements established by KHC. Kentucky Housing Corporation does not accept any responsibility for any contractual work completed by any market analyst and/or appraisal firm and/or individual chosen from this list by the applicant that does not meet the applicant's approval upon entering into contract with said market analyst and/or appraisal firm and/or individual. In no event will KHC be liable for any loss or damage including, without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of profits arising out of, or in connection with, the use of this information.
