

Section 106 Project Review Form (REV 8/2020)

SECTION 1: CONTACT INFORMATION			
CAA Agency Name		Job #	
CAA Agency Contact			
CAA Telephone		CAA E-Mail	
Project Address (Street, City, State, Zip)			

SECTION 2: PROPERTY INFORMATION		
1. Is there anything over 50 years of age in or visible from the project location?	YES	NO
<i>If you answered NO to #1, the project is "Exempt" - proceed to Section 4: Determination. If you answered YES to #1, please proceed with questions #2 & #3.</i>		
2. Are any buildings or structures over 50 years old?	YES	NO
3. Is project located in or adjacent to a historic district?	YES	NO

If you answered YES to Section 2: Property Information question #1, then follow guidance in KHC PN 2020-02 Historical Properties Process dated July 28, 2020. If you answered YES to questions 2 or 3, proceed to Section 3.

SECTION 3: PROJECT DESCRIPTION: Are the proposed project activities (REGARDLESS OF FUNDING SOURCE) limited to:

If you answered YES to Section 2: Property Information question #2, complete the following questions. If you answered YES to question #3, please email wxadmin@kyhousing.org for instructions on how to proceed.

Interior Work: Electrical, plumbing or mechanical repairs, replacements, or installations limited to interior spaces; interior weatherization or energy conservation activities including insulating attics, floors, and walls.

Roof Work: Replacing asphalt roof shingles or other composite materials; installation of jacks/vents or flues if not located on a primary roof elevation or visible from the public right-of-way; repairing or replacing gutter system to match existing.

Exterior/Doors/Windows: Painting exterior surfaces in a matching or complementary color; repairing or replacing missing or damaged glass panes, caulking, weather-stripping, and installing thresholds and storm windows or doors in a manner that does not harm or obscure historic windows or trim; replacement of HVAC units where exterior components are similar in size or smaller compared to existing components, and located in the same place as existing units; installing insulated exterior replacement doors where the openings are not altered and they cannot be viewed from the public right-of-way.

Foundations: Underpinning and ventilating crawl spaces if materials are set at least 2 Inches behind the outer face of piers or foundations on the front façade; installing foundation vents, if painted or finished to match the existing foundation material.

Site Work: Repair or replacement of existing site features like wheelchair ramps, driveways, parking areas, and walkways, sewer lines, water lines, and drain connections in a manner that does not disturb historic exterior building or landscape materials or features.

Projects completed by qualified contractors in accordance with the Secretary of the Interior's Standards for the Treatment of Historic Properties (Standards) and in accordance with Appropriate National Park Service Preservation Briefs, limited to the following activities: Power-washing exterior masonry; repairing masonry, including repointing, and rebuilding chimneys and installing chimney flue liners; replacing roofing to closely match the historic materials and form or with materials that restore the documented original feature in a manner that does not alter the roofline; conducting Lead-based Paint Abatement or "Management in Place" activities.

SECTION 4: DETERMINATION	
If the property is less than 50 years of age and nothing 50 years of age is visible from the site, you may proceed further with no consideration of the Section 106 Process. I hereby certify, to the best of my knowledge, that the answers to the above are true and correct.	
Weatherization Agency Evaluator Signature _____	Date _____
If the age of the property cannot be determined from normal means, contact Kentucky Housing Corporation at wxadmin@kyhousing.org.
