A. Introduction

1. Purpose
Pursuant to the citizen participation requirements of 24 CFR Section 91.115, the State of Kentucky (referred to as the “State”) sets forth the following amended Citizen Participation Plan (the “Plan”) as it relates to the administration of the Community Planning and Development programs funded by the U.S. Department of Housing and Urban Development (HUD). The Plan sets forth how the State will provide for and encourage all citizens to participate in the development, revision, amendment, adoption, and implementation of the documents covered by this Plan, which include the following:

   a) Citizen Participation Plan
   b) Consolidated Plan (Con Plan)
   c) Annual Action Plan (AAP)
   d) Consolidated Annual Performance and Evaluation Report (CAPER), and
   e) Section 108 Loan Guarantee Program
   f) Recovery Housing Program (RHP) Annual Plan

2. Lead Agency and Federal Programs Covered
Kentucky Housing Corporation (KHC) has the primary responsibility for the development of the Consolidated Plan with assistance provided by the Department of Local Government (DLG). The administration of the HUD CPD Programs is divided as follows:

   a) KHC manages the HOME Investment Partnerships (HOME) program, the Housing Opportunities for Persons with AIDS (HOPWA) program, the Emergency Solutions Grant (ESG) program and the national Housing Trust Fund (HTF).
   b) DLG manages the Community Development Block Grant (CDBG) program and the Recovery Housing Program (RHP) program.

These two entities will formulate appropriate goals and strategies to address the State’s affordable housing and community development needs.

3. Program Year
The Program Year for all documents covered by this Plan begins annually on July 1 and ends on June 30.

4. Effective Date
Subsequent to approval of this amended Citizen Participation Plan by the State of Kentucky and HUD, the Plan shall be effective until it is amended or otherwise replaced.
B. Encouragement of Citizen Participation

1. General
The State provides for and encourages citizens to participate in the revision, amendment, adoption and implementation of the Citizen Participation Plan, the Con Plan, the AAP, the CAPER, and the RHP Plan. The State encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate-income neighborhoods. With respect to the public participation initiatives included in this Plan, the State will take appropriate actions to encourage the participation of all its citizens, including minorities, non-English speaking persons, and people with disabilities, as described below.

2. Non-English Speakers
According to the 2013-2017 American Community Survey, 5.3% of the State’s population 5 years of age and older speak Spanish. For the purposes of this Plan, the State will comply with the provisions of its Language Access Plan (dated January 1, 2012) in conducting outreach and encouraging citizen participation for all documents covered by this Plan.

3. People with Disabilities
To encourage the participation of people with disabilities, the State will include the following language in all public notices published in local newspapers:

To request a language or sign interpreter, please contact Erica Yan (eyan@kyhousing.org, (502) 564-7630, ext. 795 or (800) 633-8896) or #711 (KY Relay) at least three (3) business days prior to the meeting. All hearing locations are handicapped accessible.

The State will provide a copy of this Plan in a format accessible to persons with disabilities, upon request.

4. Public Hearings
Public hearings will be advertised at least fourteen (14) days in advance of the date of the hearing and will be widely publicized through the use of direct electronic mail notification, Web announcements, social media, and newspaper advertisements.

The State will carefully consider the time and location of the public hearing to ensure that it is convenient to potential and actual beneficiaries. Accommodation will be made for persons with disabilities as requested. The needs of non-English speaking citizens will be met through an interpreter in the case of a public hearing where a significant number of non-English speaking residents can be reasonably expected to participate. This accommodation will be made as requested and in accordance with the State’s Language Access Plan.

5. Access to Draft Documents and Final Documents
The State will post draft copies and final copies of all documents covered by this Plan on its websites accessible at http://www.kyhousing.org/resources/planning-
An announcement will be published in the two major newspapers that serve large parts of the Commonwealth, through direct electronic mail notification, social media, and Web announcements.

In addition, the State will provide up to five free copies of the Con Plan or AAP to residents and groups that request a copy.

6. **Technical Assistance**
   KHC and DLG staff are available to assist local units of government, public and private organizations and other eligible entities that are interested in submitting a proposal to obtain funding through the HUD programs covered by this Plan. Applicants and award recipients are encouraged to request technical assistance, as needed.

7. **Other Engagement Techniques**
   The Plan may be amended as the State continues to gain access to technology that improves the avenues of participation by its residents.

C. Citizen Participation Plan

The State shall follow the following procedure to amend its Citizen Participation Plan, as needed.

1. Amendment Considerations

   - Decrease in the number or length of public comment periods, or change in the format of public comment
   - Decrease in the number or content of public hearings
   - Changes in identified populations or languages, or
   - Elimination of any stakeholder groups.

   Substantial amendments to the Plan may be required should a provision of the Plan be found by the State to conflict with HUD regulations, or when changes in applicable HUD regulations occur, or based on current HUD guidance. All other changes that do not meet the criteria defined above will be considered minor amendments and will not be subject to public comments.

2. Draft Amended Plan Review
