

2022 K-Count Instructions for KYHMIS Participating Emergency Shelters and Transitional Housing Programs

While agencies not participating in KYHMIS will use the Sheltered Survey Instrument and submit client data via Counting Us for the 2022 K-Count, KHC will pull client-level data directly from KYHMIS for all HMIS-participating emergency shelters and transitional housing programs for HUD reporting purposes. If your project uses KYHMIS, you will NOT use the Counting Us app to submit client-level data for the K-Count.

Instead, **Emergency Shelters and Transitional Housing participating in KYHMIS** must complete the four steps below.

The **deadline** for ensuring this information is ready to be accessed by KHC and prepared for submission to HUD is **Wednesday, March 2, 2022 at 5 p.m. ET**. To meet this deadline, you are also asked to run and **submit a “CoC-APR” or “ESG-CAPER”** (directions provided in step 3 below) for each emergency shelter or transitional housing project you have to kcount@kyhousing.org by **Wednesday, March 2, 2022 at 5 p.m. ET**.

Step 1: Ensure Universal Data Elements are complete and accurate

- Make sure all Universal Data Elements (UDEs) are complete and accurate for all clients (including children) sleeping in your program on the night of **February 23, 2022**.
- To determine what UDEs are missing, if any, run the CoC APR, the ESG CAPER report, or the Data Quality Framework report for a client level detailed report.
- Please pay attention to the UDE’s regarding the previous housing situation questions, Household Types, Age, Race, Gender, Ethnicity, Veteran status, and Disabilities entered into HMIS. These fields are especially important in reporting K-Count information to HUD.

Step 2: Complete the 2022 K-Count Sub-Assessment Directly in HMIS

Below you will find instructions about how to access the 2022 K-Count One-Time Assessment in ClientPoint.

It is likely you will have to ask each client for the answer to the questions. For children, you will need to ask the parent/guardian to provide the information.

If you have the capacity to do so, you can complete the sub-assessment directly in HMIS while talking with the client. However, you may find it more practical to gather the information from clients first using a paper form and then you can enter the responses per client in ClientPoint later.

To assist you, we have created a sub-assessment “form” you can use to gather this client information on paper first. It is available on the [K-Count page](#) of the KHC website under the heading “KYHMIS K-Count Directions”. Look for “**KYHMIS Participating Agency Only: 2022 K-Count One Time Assessment**” form.

Instructions on How to Complete the 2022 K-Count One Time Assessment (BoS ONLY) in KYHMIS

1. Log into ServicePoint.
2. Search client in ClientPoint.
3. Click on the pencil next to the client’s latest Entry under the Entry/Exit Tab.
4. Click Save and Continue.
5. Scroll to the bottom of the Entry/Exit Data Page until you see **2022 K-Count One-Time Assessment (BoS ONLY)**.
6. Click Add.
 - a. Project Entry Date will automatically populate from client’s entry date.
 - b. Enter the day after the 2022 K-Count, **February 24, 2022**.
 - c. Choose a County from drop down to answer, “In What County Was This Sub-Assessment Given?”
 - d. Choose a County or Out of State from drop down to answer, “In What KY County Did Homelessness Originate? (If not Kentucky, choose Out of State, and Select State in Question below.”
 - e. Choose a State from drop down to answer, “In What State Did Homelessness Originate?”
 - f. Select Yes or No, “Do you/this person receive disability benefits?”
 - g. Select Yes or No, “Are you/this person currently employed at a job for which you receive a paycheck?”
 - h. Choose from the list, “(If yes), is the employment part-time or full-time?”
 - i. Select Yes or No, “Are you a survivor of domestic violence?”
 - j. Select Yes or No, “Are you currently experiencing homelessness because you are fleeing domestic violence, date violence, sexual assault, or stalking?”
 - k. Choose a response that best fits the client’s answer to the following question, “(If No), In your own words, can you tell me what caused you to become homeless this time?” If person answered “Yes” to fleeing DV, etc. in the previous question, select “N/A”.
7. Click Save. If there are other members in the household to enter **2022 K-Count One-Time Assessments**, click Save and Add Another. Note: Assessments should also be completed for minor members of the households, if applicable (i.e. children 0-17).
8. Once you have completed the 2022 K-Count One-Time Assessment(s) for each member of the household, click **Save and Exit**.

Step 3: Run, Review, and Submit APR or CAPER report.

- After your client-level information is correct for all clients who slept in your emergency shelter/transitional housing program on Wednesday, February 23, 2022, **please run a “CoC-APR” or “ESG CAPER” report, depending on project type and funding source.** If your HMIS-

participating project is a Transitional Housing project or a non-ESG/ESG-CV-funded emergency shelter, please run the CoC-APR. If you are an ESG/ESG-CV-funded emergency shelter, please run the ESG CAPER.

From the **main page on ServicePoint** after logging in navigate to **the menu on the left-hand side** and select **'Reports'** then access either **CoC-APR or ESG CAPER report** under Provider Reports. Fill out the prompts, selecting your project name and **one-day date range below (02/23/2022)**. Run reports separately **for each of your ES and TH projects** that will be included in the K-Count.
