

VIRTUAL PRE-INSPECTIONS!

Landlords,

If you'd like a KHC inspector to preview your unit before signing lease up documents or before the unit has an official inspection, we can help. If you have questions about a unit, we've got an answer!

The pre-inspection will be conducted via FACETIME or Google Duo and will be for educational purposes only. This will not be a substitute for an official inspection.

To schedule your pre-inspection, contact our inspection staff.
